Sir:

Luxim Corporation, Assignee of the above-identified application and hereinafter referred to as Applicant respectfully requests that the following amendments to the Specification and Abstract be entered post allowance.

Amendments are referenced to page and line numbers of the Substitute Specification submitted via FAX on October 22, 2003. Remarks are referenced to paragraph, page and line numbers of the application filed on March 15, 2001.

Each amendment either makes clearer the scope of the invention as disclosed in the March 15 application or corrects a typographical error.

As is shown in the Remarks section, no new matter is introduced by these amendments.

**Amendments to the Specification** begin on page 3 of this paper.

**Amendment to the Abstract** is on page 6 of this paper.

**Remarks** begin on page 7 of this paper.
